Laureen McAlpin  
Scientific Affairs

Dear Laureen,

Enclosed please find a new version of the budget for extra expenses – I hope that this is satisfactory. I have deleted costs for the organic dust meeting as someone might question the relevance of this for Scientific Affairs in view of the precision of different tasks we now have to put into the budget – I will just have to find cover for these costs somewhere else.

I will contact you shortly to hear if the new version is satisfactory – we are eager for a rather rapid decision concerning the request.

With my best regards

  
Ragnar Rylander
